Your Accommodation

You will be based in the Island's nightlife capital of St Lawrence Gap on the popular South Coast of this friendly Island where the beaches are powdery white, the water is warm and shallow, and the bars and rum shacks are plentiful. Barbados offers an irresistible mix of laid-back Bajan lifestyle.

It used to be known as "Little England" and although the island now enjoys its independence, a warm welcome is always shown to its British visitors.

Originally introduced to the West Indies by British colonists, cricket's popularity quickly spread and experiencing the Bajan adoration of cricket at first hand is an exciting opportunity placing Barbados firmly among the very best cricket tour destinations. It's Colonial links also mean you can enjoy all key team sports with cricket, netball, hockey, rugby and football all enthusiastically played.

Cricket

Cricket teams who recently travelled to Barbados include:

University of Nottingham CC

"The tour went really well – we couldn't have asked for it to be any better! The accommodation was a brilliant place to stay, and the teams we played were both friendly, so we all very much enjoyed playing against them. We also did some trips and really enjoyed both Harbour Lights and the catamaran cruise."

Liverpool University CC

"Excellent Tour, Barbados is a wonderful destination for both sport and social aspects of the tour. The accommodation was ideal, central location, check in was quick and smooth, clean, AC and nice balconies, well equipped kitchens, pool bar was well stocked and excellent food. The coach driver was efficient and punctual."

The Boat Yard is good fun, Catamaran tour is excellent, Harbour lights and Oistins Fish Market are musts for anyone touring Barbados. Renting out a car on a free day was a worthwhile experience as they drive on the same side as we do and the roads utilise roundabouts etc so wasn't entirely different from driving back home which enabled us to see more of the island than we normally would. Hal's karaoke bar on the Gap is great and both times we've visited we've met New Zealand, Australia, South African and West Indies professional cricketers in Hal's when they've been on national duty; bit surreal seeing a current Australian international cricketer belting out "teenage dirtbag" on the karaoke . Also, Franks bar is the perfect base at nights for a tour group when you just want a chilled evening. Burleigh Travel you have been excellent, will come back to you for our tour in 2 years time."

Netball

We will make all your fixture arrangements against specifically selected hospitable local sides.

Netball is the sport of choice for females on the island. From as early as age 8 years old, netball is played at all ages ensuring that the sport remains vibrant and is a permanent fixture on the sporting calendar in Barbados. Visiting clubs and universities can be assured of a warm welcome and will benefit from favorable conditions and facilities.

“AWESOME tour - really, really good! The hockey was a good standard and the accommodation was excellent, with friendly staff. The coach transfers were fine, helpful, really flexible with timings helpful and easy to find at airport. Burleigh Travel service was excellent, thank you for all your help!”

Royal Logistics Corps, British Army

“On behalf of the RLC Hockey Club can I pass on our thanks for organising our recent tour to Barbados. From the outset you provided first class advice and a comprehensive set of itineraries and tour options. The hotel and staff were excellent, and it was perfect for the squad. The excursions, bus transfers and fixtures were all seamless.

The matches were played in a friendly atmosphere and the standard of hockey was exactly what we asked for; we had some challenging but enjoyable games against a young but very fit and skilful opposition. I would certainly recommend you to other teams.”

Football

We will make all your fixture arrangements specifically selected against hospitable local sides.
