Rugby 4 Heroes Charity

Rugby for Heroes works with the rugby community to raise funds and awareness for military personnel who are making the transition to civilian life. And they are committed to providing financial and personal support, to help individuals overcome the many challenges that this transition presents.

There are some obvious parallels that can be drawn between the UK's Armed Forces and the sport of rugby – the traditions and core values of: leadership, teamwork, commitment, discipline, courage, respect, loyalty and camaraderie are all values in which the sport of rugby and the military unite behind and aspire to, and it is these values that RUGBY FOR HEROES champions.

Burleigh Travel are proud to be associated with such a valuable charity and for every person that travels with us to this event, a donation will be made.

Creating Memories

Burleigh Travel are very proud of the tours we have provided for more than 30 years. We have heard so many stories over the years of **team building, new friendships developing** and **life long memories being made**.

Many players, coaches and parents have missed out on the touring experience in recent times, but we hope you choose to join us at the Rugby For Heroes Festival to **create these memories for your team!**

Old Cranleighans had a great weekend. Thanks for looking after us. This is our sixth tour in a row with Burleigh Travel, and we have always had a great time and we are very much looking forward to working with them again for 2025.

Dear Chris

thanks for your email. We did have a very good weekend. The staff at the accommodation should be particularly called out. They were very welcoming, and helpful from the outset. Their positive and can-do mentality shone through - from the bar staff, the kitchen and activity leads.

It was good to meet Ryan, Carolyn and team and we do appreciate the efforts they put in. We do wish you all the best in rebuilding the business as we return to normality.

Our u7 to u12 teams embarked on their annual Tour last weekend, going to PGL Liddington for the Rugby For Heroes Festival organised by Burleigh Travel Sports Tours . The children (and parents) all had a fantastic time, enjoying the great facilities and activities put on for them to take part in, from Aeroball through to a Sensory Trail, Giant Swing and Vertical Challenge.

It was great to see the children working together, facing their fears and really encouraging each other when it was needed most.

The weekend was topped off by a 'Disco' themed evening on the Saturday and a rather blustery tournament on the Sunday.
