Tour Summary

The quirk of the Maltese Islands is their Mediterranean charm and climate coupled with Anglo-Saxon traditions. Part of the British Empire for over 150 years, Malta is a unique place to tour combining friendly hosts and a warm climate with temperatures in the high 70's in April-June (when most of our group's travel).

Food and drink are very reasonably priced and there is a fantastic variety of nightlife on offer with plenty to do in the lively resort of Sliema & St Julian's where we host our groups.

What our Clients say...

Rugby Teams who recently travelled to Malta include:

Southampton University Engineers Rugby

"The boys loved the tour and I think we all found it a great team-bonding experience.

The accommodation was great and definitely better than we expected! The Coach driver and transfers were helpful and on-time."

Reading Rugby Club

"Overall the tour was great, the hotel was well located and was perfect for a rugby group. The coaches were always on time and the drivers couldn't have been any more helpful. A great success"

Wetherby Rugby Club

"The tour went very well and everyone enjoyed themselves. Malta is a really interesting place, and had a lot to offer whilst we were there. The main positive takeaway was that generally it was pretty cheap whilst there, which is positive when you're on a four night tour."
